## MALTA FINANCIAL SERVICES AUTHORITY

### **Solvency II Circular for Insurance and Reinsurance Undertakings**

The Malta Financial Services Authority (“*MFSA*”) has today published a revised version (Version 02/2016) of the Quarterly National Specific Templates (“*QNSTs*”), which may be accessed by clicking [here](#).

The difference between the prior version (Version 01/2016) and the above-mentioned version of the *QNSTs* relates to some updates in the macros embedded in the workbook effected by the Central Bank of Malta (“*CBM*”). The *MFSA* related sheets were not altered from the previous version.

It is important that *QNST* Version 02/2016 is used by the Insurance and Reinsurance Undertakings, otherwise the submission of the previous version will be rejected by the system. In this respect, please make sure that the *QNST* Version 02/2016 is submitted to both the *MFSA* and the *CBM* going forward.

Any queries in relation to the above should be directed to the *IPSU* mailbox at [ipsu@mfsa.com.mt](mailto:ipsu@mfsa.com.mt).
